15th May 2017

Dear Parents and Carers

Meet the Governors Coffee Morning

I would like to remind you that you are warmly invited to join some of the governors for coffee and cake on Friday Morning (19th May) at 8.45a.m.

The coffee morning will give you the chance to talk to governors about general issues and ask questions about their work.

We would like to get a sense of the most important issues on parents' minds so if you could send your questions to us in advance, it will enable us to prioritise the most pressing issues.

Questions can be sent in using the reply slip below or by email, aida.verescinskaite@stokeparkschools.org.uk or by text, 0117 3250999.

We look forward to seeing you.

Regards

Bob Smith – Chair of Governors

My question for the governors is:

(Please note – we will not be able to address issues relating to individual children)

My child/children is/are in Years: _____
